ALL MONEY PAID TO TEAM WORKS IS **NON-REFUNDABLE**. This is true even if your divorce is not completed. For example, TEAM WORKS may not be able to complete your divorce if your spouse refuses to cooperate once the case has been started. Any costs incurred by customer for real estate transactions (escrow, recording, and retirement division etc.) are not covered by the money paid to TEAM WORKS.

These TEAM WORKS fees entitle you to receive the full services listed above. Our contract for service is good for the six-month waiting period that your Dissolution settlement normally takes in California. It is your responsibility to get your spouse to agree with you and to get the TEAM WORKS forms to us for filing prior to the end of six-month waiting period. Additional Services: Should additional mediation, further revisions to the Marital Settlement Agreement and/or educational services be necessary to reach an agreement, Mr. Stacer's services will be paid at the rate of \$250/hr. and Dr. Stacer's services will be paid at the rate of \$150/hr.

We provide you with a list of family law specialist attorneys in San Diego County for attorney consultations to assist you with your case. The High Conflict Intervention Program is also an affordable resource designed to assist couples by reducing the conflict and teaching skills that calm the conflict and protect the children during the divorce.
